The form authorizing payroll deduction shall be designed by the

Union, with the approval of the Employer, which shall not be unreasonably withheld (see Appendix B), and the expenses for producing and distributing the form shall be borne by the Union. The initial deduction shall be implemented in the payroll that is distributed not later than the third week after the date of delivery of such authorization to the Payroll Office. The Union agrees that any change in the rate of Union dues shall be certified to the Employer and the amount to be deducted from each member's paycheck shall be specified by individuals on a list transmitted to the Employer by the treasurer of the Union.

Employees may terminate dues deduction on 30 days written notification to the Employer and the Employer will notify the Union of such dues termination. Dues deduction will be discontinued by the Employer when the employee dies, retires, is separated from employment. If an employee's wages available for Union dues are less than such dues, no deduction will be made.

The aggregate deductions of all employees shall be remitted with an itemized statement to the treasurer of the Union within three weeks after payroll dues deductions.

The Union agrees to indemnify and hold harmless the Employer against all claims, suits, and other forms of liability and all court costs arising out of the provisions in the agreement between the parties for dues deduction. The Employer shall notify the treasurer of the Union when an employee's dues are terminated because of death, retirement, termination of employment, or any other reason. ### ***Article V:***

#### **FINALITY AND EFFECT OF AGREEMENT**

This Agreement supersedes and cancels all previous collective bargaining agreements between the Employer and the Union, unless expressly stated to the contrary herein, and constitutes the entire Agreement between the parties, and concludes collective bargaining for its term.

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make proposals with respect to any subject identified as bargainable under Section 9 of the Public Employment Relations Act, and that the understandings and agreements arrived at by the parties

after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives any right which might otherwise exist under law to negotiate over any matter during the term of this Agreement, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to, or covered in, this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

The only exception is in the event that any provision of this Agreement shall become void or illegal during the term of the Agreement such provision shall become inoperative, but all other provisions of this Agreement shall remain in full force and effect for the duration of this Agreement. The Employer and the Union agree to meet at the earliest possible mutually agreeable time (within 30 days) for the purpose of negotiations to replace void or illegal provisions.

In the event the parties do not reach mutual agreement on a provision to replace the specific provision determined to have become void or illegal within fifteen (15) days following the beginning of negotiations, the Union shall have the right to then, within 14 calendar days, request arbitration and notify the Employer of such request. The arbitration proceeding shall be conducted by an arbitrator selected by the Union and the Employer. If they cannot agree, the Federal Mediation and Conciliation Service will be asked to supply a list of seven names. The Employer and the Union will alternately strike names. The first party to strike shall be determined by lot. The remaining name shall be the arbitrator.

The arbitrator, in his/her opinion, shall be limited to deciding upon either the Employer's or the Union's final offer as to which is the most appropriate amendment for the specific provision that had become void or illegal. The decision of the arbitrator will be binding on both parties. Expenses for the arbitrator's services shall be borne equally by the Employer and the Union.

## **CHAPTER 2: PROCEDURES**

### ***Article VII:* SENIORITY**

A. Seniority. Seniority means a regular employee's length of service since his/her last date of hire. Seniority shall be computed on the total continuous service in the department. All transportation employees will use their date of hire in a given classification within the department for use in transfers/bidding to other classifications within the department. Academic year employees who work during the summer shall be credited with seniority in the department in which they are working during the summer.

B. Probation. A new employee shall serve a probationary period of one hundred twenty (120) actual workdays. Time on leave status shall not be credited toward computation of the probationary period. Employees assigned to new job classifications shall serve a trial period of sixty (60) actual work days during which time, if satisfactory service is not shown, the employee may be transferred to a job classification in which they have previously provided satisfactory service. During the first ten (10) working days in a new assignment, the employee shall be allowed to transfer back to the last held position. Such return rights shall be limited to one per year when exercised by the employee. Probationary employees may be terminated for any reason without recourse to any procedures in this Agreement.

C. Posting. On September 15th, the Employer shall post on appropriate bulletin boards a list showing the employees' total continuous service in the appropriate department represented in the unit. A copy of the seniority list shall be sent to the Union president when it is posted.

D. Breaks in Service. An employee's seniority record shall be broken by voluntary resignation, discharge, reduction in force, and retirement. Should an employee laid off return to work within one year, the seniority will pick up from the date of his/her return.

Seniority rights will be forfeited if the continuous period of lay off exceeds one year. An employee who is absent from work for three consecutive work days without notification for valid reason to the Employer will be considered having resigned. Should an employee leave the unit represented by the Union, the employee's seniority will be frozen. Should he/she return to the unit, his/her seniority shall continue from the seniority level previously attained.

### ***Article VIII:***

## **TRANSFER PROCEDURE**

Transfer shall mean movement of any employee to another job classification or location within the District. A vacancy exists as a consequence of an employee's action or the creation of a new position. Nothing herein shall be construed as restricting the Employer from exercising its right to fill any vacancy with a regular employee or a temporary employee on a temporary basis or to prohibit the Employer from directing the work of its public employees. A regular employee will not be placed in a temporary assignment to fill a vacant position for more than 60 working days. An employee temporarily assigned to a vacant position for a period of time exceeding 10 consecutive work days shall receive the rate of pay for the position, or his/her regular rate, whichever is greater. When the vacancy, including Operations Pool, class 1—entry, is to be filled on a regular basis, it shall be posted. An employee temporarily assigned to substitute for an employee on leave or a medically disabled employee for a period of time exceeding 10 consecutive work days shall receive the rate of pay for the position, or his/her regular rate, whichever is greater. An employee temporarily assigned to substitute for an employee on vacation shall continue to receive his/her regular rate of pay.

Notice of such vacancy will be posted in the "Job Line" or on appropriate bulletin boards, and within 7 working days of the date of the "Job Line", employees may apply for the vacancy by filing a written statement with the Office of the Executive Director of Human Resources. The notice of the vacancy shall include the hours of work and location of the opening. The Executive Director of Human Resources shall acknowledge to the applicant the receipt of such application, and shall notify the applicant when the position is filled.

The Employer shall consider the needs of the District and each applicant's qualifications. When two or more applicants have relatively equal qualifications, the employee with the greatest seniority within the department will be given priority.

The Employer maintains the right to hire and assign employees to any vacancy and may hire and assign from outside the present employees. However, present employees shall be given first consideration for transfers upon following the application procedures as specified.

As there is no "Job Line" published when school is not in session for the summer, a list of vacancies will be posted on appropriate bulletin boards biweekly on the same date Group 1 payroll checks are delivered.

Employees desiring a transfer who do not work during the summer between academic terms, may also file a written statement with the Office of the Executive Director of Human Resources within seven (7) working days before the end of the regular school session indicating the position(s) desired.

### ***Article IX:*** **STAFF REDUCTION PROCEDURE**

The Employer for any reason may determine that it is necessary to reduce the number of employees. In the event it becomes necessary to lay off employees within a particular job classification or job category, the reduction shall be based upon the needs of the school system as determined by the Employer and the relative skill, ability, and competence of the employees for which employment cannot be provided.

Whenever lay off occurs, if the skill, ability, and competence of the employees within the affected job classifications are considered relatively equal, the employees for which employment cannot be provided shall be laid off in the inverse order of their seniority. The affected employees and the Union shall be notified at least fourteen (14) days prior to the effective day of such lay off. An employee scheduled for lay off shall have the right to replace an employee

with less seniority and lesser qualifications in any lesser job classification in that category or a category in which he/she previously worked.

When a specific opening or openings occur within one year of the lay off and more than one employee applies for the position, the recall shall be based upon the needs of the school system as determined by the Employer and the relative skill, ability, and competence of the employees. If the skill, ability, and competence of the employees are relatively equal, then the employee with the greatest previous seniority within the unit shall be recalled, provided that he/she meets the qualifications necessary for that opening.

An employee who fails to return to work at the job classification and job category laid off from, or a position they desire and are qualified for within five working days after being notified by certified mail to the employee's last known address on file in the Office of the Executive Director of Human Resources, shall lose his/her status as an employee. No new employee shall be hired until all employees on lay off who are qualified and desire to return to work have been recalled.

## **CHAPTER 3: HOURS**

### ***Article X:* HOURS OF WORK AND OVERTIME**

The purpose of this Article is to define the normal hours of work and shall not be construed as a guarantee of hours per day or days of work per week. Determination of the work schedule and assignment of work shall be made by the Employer and may be changed from time to time to meet changing needs.

A. **Work Week.** The normal workweek for regular full time employees shall be 30 to 40 hours work, excluding lunch periods, from Sunday through Saturday. The normal work week for regular part time employees, including those in food service, shall be between 10 and 30 hours, excluding lunch, depending on assignments.

B. **Posting.** Anticipated work schedules showing employee shifts, work days, and hours shall be posted on department bulletin boards. The Employer will make a concerted effort to post all known schedule changes at least five (5) working days prior to the schedule change.

C. **Rest Periods.** All employees are entitled to rest periods as follows: Employees who work at least four (4) hours per workday shall be granted one rest period. Employees who work at least six (6) hours per day shall be granted two rest periods. Rest periods shall be with pay and shall be for fifteen minutes.

D. **Split Shifts.** The Employer may assign employees to short or split shifts. Employees will be scheduled in such a manner that down time will be minimal.

E. **Dual Assignments.** Employees will not be assigned to more than one regular job category, with the exception of emergencies, while school is in session. However, they may be assigned to different job categories or more than one job category in the periods outside the school year or during school vacation periods.

F. **Overtime.** Overtime for regular full time employees shall be paid at a rate of time and one-half the employee's straight time hourly rate when the employee works in excess of eight hours a day or 40 hours a week. The overtime provision of 8 hours a day shall not apply to those employees whose regular assignment exceeds 8 hours a day.

Only holiday hours may be included as hours worked during a week for the purpose of computing overtime pay for hours worked in addition to 40 hours during a week. Overtime shall not be paid more than once for the same hours worked.

Work performed on Sunday or Saturday, except when those days are part of the employee's workweek, shall be paid at time and one-half if it is in addition to the 40 hours during the week. The need for overtime and its assignment shall be the Employer's decision. Any work performed outside the designated work hours must have prior approval by supervisory personnel. There shall be no pyramiding or

duplicating of overtime pay.

For regular part time food service employees, time and one-half shall be paid for work performed outside the established time corridor for lunchroom duties, including non-school days, Saturdays, Sundays, or any hours beyond the regular school days. For purpose of this Article, regularly scheduled training sessions with required attendance and "clean-up" days are considered "lunchroom duties".

Regular food service employees shall be given the opportunity to request to work extra hours. A sign-up list shall be posted, not later than September 15th, by the Employer, for the purpose of providing employees a means by which their preference for additional work can be recorded. Section H. Call Time, shall not apply to regular food service employees.

**G. Reporting Time.** Any employee who is scheduled to report to work and who reports for work as scheduled shall be assigned to at least two hours of work. Exception: When notification has been made by public media (such as "snow days" or emergencies) that schools are to be closed, one (1) day each year shall be available as an Employer-designated holiday.

When notification has been made by public media that schools are to be closed, and an employee has already been compensated for one (1) Employer-designated holiday, then an employee who works under such conditions shall receive straight time hourly rate only for actual hours worked.

**H. Call Time.** An employee who is called by the Employer to work in an emergency outside his regularly scheduled hours shall be provided with at least two hours work at time and one-half. If, however, call time hours overlap the employee's regularly scheduled hours, he/she shall be paid at straight time rates for the regularly scheduled hours.

**I. Transportation Activity Trips.** Transportation drivers shall be given the opportunity to request activity trips. A sign-up list shall be posted by the Employer by the first day of each academic school year. The Employer will assign known activity trips five (5) days in advance if known within five (5) days. Activity trips that arise within the five (5) day period will be assigned as soon as reasonably possible after the Transportation Department is notified.

Activity trips that extend outside the normal work day will initially be assigned by rotation to the next employee, absent conflict with prior scheduling, on a sign-up list ordered from highest to lowest seniority. For initial rotation and computation purposes, an employee who does not drive an activity trip when scheduled will be charged the actual hours of that trip. After the initial rotation has been made to provide opportunity for an activity trip to each employee on the sign-up list, subsequent assignments will be made to the next employee, absent conflict with prior scheduling, on the basis of accrued or credited hours from lowest to highest. After the initial rotation, an employee who is contacted and refuses the activity trip will be charged the actual hours of that trip.

An employee, who declines three requests to serve as an activity trip driver, will be removed from the list for the remainder of the academic year. Activity trips shall be paid at the regular rate with driving time in excess of eight (8) hours a day or forty - (40) hours a week paid at time and one-half. Layover time shall be paid at straight time.

Employees who sign up for activity trips after the initial sign-up list is posted will be credited with the highest number of hours of any other employee on the list.

Activity trips will not be credited toward fulltime employment.

## **Article XI: HOLIDAYS**

A. **Holidays.** Paid holidays shall be given those employees who are working regularly at the time of the holiday. The following are recognized as paid holidays for regular full time employees:

New Year's Day	Thanksgiving Day
Day before or after	Day after Thanksgiving
New Year's Day	Christmas Day
Memorial Day	Day before or after
Independence Day	Christmas Day
Labor Day	Employer-designated Holiday
	(Optional 1 day)

B. **Eligibility.** An employee shall be eligible for holiday pay if he/she would have been scheduled to work on one of the holidays listed above and if he/she worked the last scheduled day prior to the holiday and the scheduled day immediately following. Whenever any of the holidays listed above falls on Saturday, the previous Friday shall be observed. Whenever any of the holidays listed falls on Sunday, the succeeding Monday shall be observed. If a holiday is observed on an employee's scheduled day off or during his/her vacation or during the time an employee is on paid leave, he/she shall receive one additional vacation or leave day. Regular full time food service employees are eligible under the conditions of the Article for the following holidays: New Year's Day, day before or after New Year's Day, Memorial Day, Labor Day, Thanksgiving Day, day after Thanksgiving, Christmas Day, day before or after Christmas, optional Employer-designated holiday.

Regular part time employees are eligible under the conditions of this Article for the following holidays: Memorial Day, Labor Day, Thanksgiving Day, day after Thanksgiving, and the optional Employer-designated holiday. A regular part time employee shall be eligible for holiday pay provided he/she works the last scheduled work day prior to Independence Day and the scheduled work day immediately following.

C. **Holiday Pay.** Eligible employees who perform no work on a holiday shall be paid at their usual hourly rate, based on the num-

ber of hours they regularly work.

D. **Holiday Work.** If an employee works on a holiday, he/she shall be paid at a rate of time and one-half the employee's straight time hourly rate for all hours worked. This is in addition to his/her holiday pay.

## **Article XII: VACATIONS**

A. **Eligibility and Allowance.** All regular full time employees shall be granted an annual paid vacation period at the end of each fiscal year. The paid vacation period shall be based upon the employment in that fiscal year and shall be prorated for those employees that work less than the full fiscal year.

Service Requirements	Vacation Period	
	12 mo Employees	9 mo Employees
Less than six (6) months	None	None
6 mos through 11 mos	5 working days	3.75 working days
More than 11 mos through 6 fiscal years	10 working days	7.5 working days
7 fiscal years through 12 fiscal years	15 working days	11.25 working days
13 fiscal years or more	20 working days	15 working days

The service requirement during the first fiscal year of employment shall be determined by the date of original hire. All yearly service requirements shall be based on service during complete fiscal years. More than eleven (11) months employment in the first fiscal year shall count as one (1) full fiscal year of employment. No vacation days may be taken in advance of their accrual.

B. **Vacation Pay.** The rate shall be the employee's regular straight time rate of pay. Employees shall receive pay for vacations at the time of their regularly scheduled pay days.

C. **Vacation Period.** Vacation schedules shall be set by the Employer, however, employees may request a particular period for vacation. The following scheduling procedures apply:

1. Transportation. Employees may request vacation only between mid-June and mid-August or winter recess or spring recess.
2. Operations. Employees should ordinarily request vacation between mid-June and mid-August. Employees who are entitled to more than two weeks vacation are encouraged to divide the vacation period into one, two, or three week segments. Employees who are entitled to more than three weeks vacation may request vacation during Winter Recess or Spring Recess. Employees may request vacation during the academic year. Such vacation will ordinarily not be taken immediately before or after holiday periods and will be scheduled by the Employer.
3. Food service. Employees will be compensated for vacation time following the completion of a food service year.
4. Food service Warehouse. Employees should ordinarily request vacation between mid-June and mid-August. Employees who are entitled to more than two weeks may divide the vacation period into one, two or three week segments. Employees who are entitled to more than three weeks vacation may request vacation during winter recess or spring recess.
5. Vacation time accrued may be used outside the normal time frame for an approved emergency after emergency days are used.

Exceptional reasons for variations from this procedure may be considered. Vacation days accrued during one fiscal year must be used before the end of the following fiscal year.

**Work during vacation.** Any regular full time employee who is requested to work and does work during his/her vacation period shall be paid at a rate of time and one-half the employee's straight time hourly rate. For purposes of computing additional overtime, only hours actually worked shall be counted toward the 40 hours. The hours or days worked, however, shall be added to the remainder of the employee's vacation bank.

E. **Vacation rights.** All regular full time employees who are laid off, discharged, retire, or resign prior to his/her vacation shall be compensated for earned vacation unused by the employee at the time of separation.

### ***Article XIII:*** **LEAVES OF ABSENCE**

A. **Definition.** Leaves of absence means authorized absence from the job—paid or unpaid—except for medically related disability leave. An extended leave means more than two weeks' leave.

B. **Eligibility.** Regular employees shall be eligible for leaves of absence after the probationary period.

C. **Application for leave.** Employees must complete a request for approval of absence from duties on such form as provided by the Employer on all absences except bereavement, medically related disability leave and emergency leave at least 10 days prior to the date of absence requested. The form is submitted to the employee's immediate supervisor, who approves or disapproves, and forwards it to the Office of the Executive Director of Human Resources for final decision.

D. **Paid leaves.** The employee may be paid regular straight time for hours he/she would have worked, excluding overtime, for the following authorized leaves:

1. **Bereavement leave.** In case of the death of wife, husband, (step) child, or (step) grandchild of an employee or the employee's (or spouse's) (step) father, (step) mother, (step) brother or (step) sister, the employee will make application to the Office of the Executive Director of Human Resources to be absent from duty for as many days, not to exceed five days per death, as may be necessary for attendance at the funeral and other purposes directly arising out of said death. In the case of death of other relative or person of unusually close personal relationship, one-half day of absence shall be allowed for attendance at the funeral if the funeral is in the Des Moines area and one day if the funeral is outside the Des Moines area.

2. **Jury duty.** In the absence of extraordinary circumstances, employees may be excused for jury duty. No deduction from the employee's compensation will be made during the term of jury service provided that all jury fees received by any such employee shall be turned over to the school district.
3. **Civic duty.** Employees subpoenaed to appear before a court or other public body shall be granted necessary time off with pay.
4. **Emergency leave.** All regular employees shall be allowed a total of three days in any one fiscal year without loss of salary for emergency leave, such as serious illness within the immediate family, disaster, and other circumstances recognized as emergencies by the employee's immediate supervisor and the Office of the Executive Director of Human Resources. One work day, or two half days, may be used per year, without accumulation, for bona fide personal or business activities that cannot reasonably be accomplished outside the normal work day. An employee must report the intention to be absent from duty to the designated Employer representative by 3:00 p.m. the previous day, if possible. In no case shall notification be later than 7:00 a.m. or 2 hours before the beginning of the regular shift on which he/she works, whichever comes earliest in the day. D. Regular part time employees are subject to all practices granted in this Article at a ratio proportionate to the employee's part time condition of employment.

E. The Employer may require a medical certificate or other appropriate verification for absences covered by this Article. It is not the Employer's intent, nor will the above language be construed in such a way as to constitute harassment of employees. This language is intended as a vehicle by which the Employer may scrutinize habitual sick leave usage or in those cases where sick leave abuse is suspected.

## ***Article XVI:*** **INSURANCE**

I. **Health Benefits Advisory Committee.** A Health Benefits Advisory Committee with representatives from the Employer and the Union shall be established to make recommendations to the Superintendent or his/her designee regarding the composition and provision of employee health benefit plans that will allow purchase of high quality health service and will reduce or slow the rate of growth in medical costs. In no way shall any recommendation of this committee be construed as the position of the Union.

The Health Benefits Advisory Committee will explore and, if feasible, recommend implementation of a Des Moines Public Schools preferred provider organization to provide employees and dependents with high quality, cost-efficient health care. Other health care purchasers in central Iowa may be contacted to investigate and, if feasible, recommend development of a coalition of health care purchasers to implement a preferred provider organization.

J. **Worker's Compensation.** If an employee qualifies for Worker's Compensation benefits, and the employee elects to have the Employer supplement the benefits, the following procedures shall apply:

The employee agrees to submit to laboratory work as specified and paid for by the Employer and agrees to present evidence of physical fitness to perform duties assigned. Such evidence shall be a statement by a licensed physician, on the Employer's physical examination form, attesting to the employee's fitness.

For a part time employee, who is not covered by Article XVI, B. 2. **Aggrieved person.** The employee making this complaint.
3. **Party of interest.** Persons making the complaint and any person, including the Employer and the Union, who might be required to take action or against whom action might be taken in order to resolve the complaint.

B. **Right of Employee to Representation.** Every employee covered by this Agreement shall have the right to present grievances in accordance with these procedures. An aggrieved person may be represented at all stages alone or with a representative selected at his/her option, including union representation.

It is understood and agreed by the parties that the grievance procedure and the steps outlined in the grievance procedure are the appropriate method of resolving grievances, which may arise during the term of this Agreement. If an employee formally files an alleged

violation of this Agreement other than under the grievance procedure, then the Employer shall not be required to process the said claimed set of facts through the grievance procedure.

All meetings and hearings shall be conducted in private and include only witnesses, the parties of interest, and their designated or selected representatives.

### **C. Steps in Grievance Procedure**

**Step 1.** Immediate Supervisor (Informal) The employee, with or without Union representation, shall take up the grievance with his/her immediate supervisor, with the objective of resolving the matter informally. The supervisor shall respond orally within 7 calendar days. Failure of an employee to act on an alleged violation of the Agreement within 14 calendar days of the employee's knowledge of the alleged violation shall act as a bar to any written appeal to any further step.

**Step 2.** Department Head or Designee If the grievance is unsettled at Step 1, the aggrieved employee, with or without Union representation, may present the grievance in writing to the Department Head or his/her designee within 7 calendar days of the Step 1 answer or the date the answer was due. The Department Head or his/her designee shall meet with the employee and with Union representation if desired. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses in the Agreement allegedly violated, and shall state the remedy requested. The Department Head or his/her designee shall make a decision on the grievance and communicate it in writing to the aggrieved person (and the Union representative if involved) within 14 calendar days of the filing at Step 2.

**Step 3.** Deputy Superintendent or Designee. If the grievance is unsettled at Step 2, the aggrieved person, with or without Union representation, may present the grievance to the Deputy Superintendent or his/her designee within 7 calendar days of the Step 2 answer or the date the answer is due. Within 7 calendar days of the date of filing, this administrator shall meet with the employee and with Union representation if desired. This administrator shall

respond in writing within 14 calendar days of the filing.

**Step 4. Binding Arbitration.** If the grievance is not resolved satisfactorily at Step 3, the employee and the Union may, within 14 calendar days, request arbitration with notification to the Employer. The arbitration proceeding shall be conducted by an arbitrator selected by the Union and the Employer. If they cannot agree, the Federal Mediation and Conciliation Service will be asked to supply a list of seven names. The Employer and the Union will alternately strike names. The first party to strike shall be determined by lot. The remaining name shall be the arbitrator.

The decision of the arbitrator will be binding on both parties.

The arbitrator, in his/her opinion, shall not amend, modify, nullify, or add to the provision of the Agreement. His/her decision must be based solely and only upon his/her interpretation of the meaning or application of the express relevant language of the Agreement. He/she shall be asked to issue his decision within 30 calendar days after conclusion of testimony and argument.

Expenses for the arbitrator's services shall be borne equally by the Employer and the Union.

Union representatives may attend labor-management meetings during working hours without loss of pay.

It is agreed that an answer will be provided to labor-management

agenda items within 30 working days after the meeting.

Disciplinary actions shall include only the following:

Oral reprimand

Written reprimand

Suspension (notice to be given in writing)

Discharge (notice to be given in writing)

The type of corrective action that is applied is generally determined by the seriousness of the offense. Those offenses of less serious nature do not usually require immediate dismissal, but may require some form of corrective action. Offenses of serious nature may justify immediate discharge without prior warning or attempts at remedial action. An employee may be disciplined or discharged for any reason, which is just and sufficient.

The Union president shall receive written notice of any disciplinary action or measure imposed upon an employee (with written permission from the employee) within three (3) working days of receipt of the written permission.

***Article XXI:***
